Lakeview Rock Products, Inc., Beck Street Quarry, M/035/020, Salt Lake
County, Utah

Dear Mr. Larson:

The Division received a written request from Ms. Sylvia Carroll of St. Paul Travelers requesting the Division acceptance of surety cancellation for bond number ~~100990509~~. In the St Paul Travelers cancellation notice there is an indication that a replacement bond number 104805618 was issued effective November 1, 2006.

Since the Division has not received or approved the replacement bond number 104805618, bond number ~~100990509~~ cannot be cancelled. According to the bond terms the surety must provide a ninety (90) day cancellation notice.

The notice received by the Division is considered the cancellation notice. Therefore, effective March 18, 2007, the bond in the amount of \$100,000.00 will be cancelled. The reclamation contract states the Operator must provide a replacement surety within sixty (60) days following the Division's receipt of the cancellation/termination notice.

You are hereby advised that the Division must receive a replacement form of surety in the amount of \$363,100.00 within 60 days or prior to February 13, 2007 or the Division will be forced to do any/some of the following:

- Carry out the terms of the Surety Bond ~~100990509~~
- Submit a request to the Board of Oil, Gas and Mining to withdraw the permit
- Order the cessation of mining operations
- Order immediate reclamation of all lands affected
